

NOTICE TO MARINERS
02 (2019)

Vessel reporting requirements Port of Cairnryan

All mariners and port users are reminded of the reporting procedures as published in Admiralty List of Radio Signals Volume 6(1) for the Port of Cairnryan.

Vessels are required to inform the port authority of any onboard situation or the condition of their vessel, which may affect their entry, stay in port or affect the safety and operation of the port and its stakeholders.

For more information contact Cairnryan Port Services VHF CH14
