

NOTICE TO MARINERS NO 04 OF 2020

COVID PRECAUTIONARY MEASURES

Notice is hereby given, due to the ongoing situation around COVID 19, the following will be implemented with immediate effect and until further notice.

- Ships calling at the Port of Cairnryan will have to notify Cairnryan Port Service if they have a person onboard showing symptoms of COVID-19
- Contractors to the port or a ship visiting the port, will need to seek clearance from Cairnryan Port Service (Contact Details Below) and submit form appendix 1 before being allowed on site. Failure to do so will prevent the person or contractor from gaining access to the port.
- Regular contractors or tenants should abide by the reporting procedure set out in appendix 2 if they become aware of anyone of their work force showing symptoms associated with COVID 19.
